## THURSDAY, MAY 10, 1855

Abolition and Judge Loring. The Journal thinks that the Fugitive Slave Law "would not only disgrace the reign of are heights of fame. Better for him that he ny, is a stimulus to the dishonest and the had never been born; better for his memory, and the good name of his children, had he

never been President." Now, in answer to al! such extravagance, it is enough to say that the law in question was approved by WEBSTER and CLAY without mentioning the other great and estimable men who gave it their sanction and support. It is rather too great a demand on the good sense of the American people to expect them to believe that a law, which was considered a good one by such illustrious statesmen, can in fact be quite so devilish as the Journal repre-

As the days of JAMES II have been resorted to for illustration, we want the Journal to per of the article on which we are commenting. We suggest that the Journal should the Bloody Assizes.
